

0-3's Nursery

Summer Term 2017 Newsletter

Dear Parents and Carers,

Welcome back to those children who have been off for the half-term break. I would like to take this opportunity to inform you of some new initiatives that we are currently working on in the nursery, as a part of our commitment to continually improve provision for children. We are expanding our collection of everyday materials to give young children experiences that will ena-

ble them to broaden their vocabulary. We would like to invite parents and carers to make contribution by

Class photos on Monday 12th June between 9am-10am. Please note there will only be one class photograph for all children.

bringing in any ornaments, boxes or interesting materials from around the home, to add to our resources.

We are excited about the opening of our new outdoor space. The babies have been already been enjoying playing outside. We will continue to develop the outdoor area over the coming months.

It was Child Safety week last week. During the week we worked to raise awareness of how to prevent accidents and keep children safe. Research carried out by The Child Accident Prevention Trust states there is a high rate of accidents in the home amongst children aged 0-3 age group. Please speak to staff if you like more information on this.

Children's Art Day

As a part of our initiative to further develop

creativity at Moreland we are planning to organise for an Artist to visit the Nursery. Children will carry out a project exploring media and materials on Thursday 6th July. Speak to staff if you would like to join us.

Bake off

Thank-you to everybody who contributed towards the Moreland Bake Off. We raised over £200 for Great Orman Street. Extra

thanks to parents who helped on the day to make the event successful and enjoyable. We are looking to set up a 0-3's PTA, please speak to staff if you are interested in joining.
